**Proposed Temporary Road Closure – Shortmead St/High St/Dells Lane/Mead End, Biggleswade.**

I have a request for a Proposed Temporary Rolling Road Closure at the above location to enable a St Georges Day Parade to take place safely. Details are listed in the schedule below and having assessed the application I am satisfied the request is justified.

The alternative route for this closure is as in the details below and will be signed accordingly. The restrictions are to be in operation only when the necessary signs are erected on site. The Legal Order will be made to cover a three day period. Access may be allowed from time to time according to local signing.

If you have any observations you wish to make I would be grateful if you could let me know as soon as possible.
