

# Re-Opening of The Orchard Community Centre

Biggleswade Town Council are pleased to announce the re-opening of The Orchard Community Centre on **21<sup>st</sup> September 2020**.

The facilities at The Orchard Community Centre include the Main Hall for different types of events and classes, together with a Training Room for training purposes and meetings.

The Centre is easily accessible by bus or car, with a number of parking spaces available at the front of the building. The Orchard Community Centre is also able to cater for disabled persons with easy access into and around The Centre.

Biggleswade Town Council wish to assure prospective visitors that a number of preventative measures are in place to halt the spread of COVID-19. These measures include ensuring social distancing, limiting class numbers to adhere to government guidelines and effective cleansing routines in-between classes. There will be hand sanitiser stations placed throughout the building, clear entrance and exit signs, as well as clearly marked two metre spacing in the hall. The latest COVID-19 risk assessment has also been completed.

Due to these measures, some class start times may be altered and the maximum number of attendees per class may be limited. A member of staff at Biggleswade Town Council will be in touch with all class and booking holders shortly to inform them of any potential changes. We apologise in advance for any inconvenience this may cause.

Please note that fees for booking both the Training Room and the Main Hall will not be increased as a result of these preventative measures.

Biggleswade Town Council actively encourages the use of The Orchard Community Centre as a space that benefits the local community. If you wish to make a booking, or have any other enquiries, please email: [enquiries@biggleswadetowncouncil.gov.uk](mailto:enquiries@biggleswadetowncouncil.gov.uk) or call 01767 313134.

Biggleswade Town Council look forward to welcoming back all visitors to The Orchard Community Centre.
